CHILDCARE Sage 2011-2014 Price Sheet and Checklist

Compare our price sheet to the competition. With the Childcare Sage, you simply buy the version that supports the number of enrolled children or families at your center, that's it. No modules, no extra licenses, and no extras. It couldn't be simpler, or more affordable!

Large Center Version (unlimited)	\$895	Remember to use your MLC10 coupon to get your additional discount.
Medium Center Version (Limit 100 children and 40 staff members)	\$695	
Small Center Version (Limit 50 children and 40 staff members)	\$495	
DayCare Family Center Version (Limit 25 children and 10 staff members)	\$295	
BioPlugin Fingerprint Scanner Package (for the Timeclock)	\$345	
Annual Support Renewal with Networking Support (first year included)	\$125	
Annual Support Renewal without Networking Support (first year included)	\$100	

We offer special pricing for multiple purchases, and we offer payment plans. Please call us for details.

We also offer automatic Renewal of Annual Support through your credit card or bank account. Please call us for details.

The Childcare Sage comes complete with every function you need to run your childcare center. There are no modules, no extra licenses or seat fees, and no hidden charges. We welcome comparisons with the competition, because our system wins every time. The Childcare Sage includes:
